Spring Work Day

Thank You, to all of our parent's and children who helped on our April 8th work day!

We had fun and accomplished SO much including: installing preschool cubbies, cleaning the garage, transfer station runs, working on our spacious new storage room and cleaning our walls.

Thanks again to all who participated or made a donation.

Annual Meeting

The date has been changed! Our Annual Meeting this year is **May 10th, from 6:30pm-8pm** in the basement of St. Irene's. Childcare will be provided at CKH. Please sign the clip board in the hallway if you will need childcare while attending the Annual Meeting.

Concord Carlisle Community Chest Triathlon

For the past few years Carlisle Extended Day has participated in the CCC Challenge. This challenge is the only fundraising effort that Carlisle Kids' House commits to each year. For the past four years the Concord Carlisle Community Chest has donated funds which have been used to help families send their children to Extended Day at a

reduced price. This year, we were able to help families who have been impacted by a recent lay off, as well as families who wanted their children to take part in our special activities but could not afford to do so. Last summer we were able to help a single mother send her two young children to CEDP for two weeks. We truly do appreciate all that the CCC does and ask that you help us to make this years fundraising effort a success. There are several ways to help: by making a charitable donation, (our goal this year is to raise \$1,500), we also need parent's to participate in the triathlon by biking, running, or canoeing, and finally we need people to cheer our team on the day of the race. For more information, or to offer assistance, please talk to Karen or Jen. ***Our 4+ program will be holding a bake sale on Thursday, May 11th to raise funds.
